HEAVENLY HALKIDIKI

Famous for its unique silhouette, Halkidiki is a region in Northern Greece made up of 3 peninsulas, stretching out into the Aegean Sea. The area is surrounded by rich green forests, white sand beaches and crystal clear turquoise water; a small taste of paradise.

Ikos Olivia is a brand new 5*, all-inclusive luxury resort, which opened its doors in 2015. It is sister hotel to Ikos Oceania, just a short distance away. Set across 22 acres of land, the hotel is surrounded by 500 historical olive trees, which provide both shade and privacy throughout the resort. Guests fly into Thessaloniki airport, approximately a 45 minute drive away from the hotel, and just over an easy 3 hour flight from London Gatwick.

The resort offers a wide range of amenities and activities which couples and families alike are able to enjoy. These include a choice of 4 swimming pools, a beach that boasts 450m of white sand, countless water sports, mountain biking, tennis courts, a fitness studio, yoga classes, table tennis, and many more, as well as kids clubs and evening

entertainment. For those that don't plan on having such an active holiday, why not take some time to relax in the stylish Ikos Spa, which is open daily from 8:00 until 20:00, meaning you'll have plenty of time to fit in a treatment or two. The spa also offers a gym, sauna, steam room and a large indoor swimming pool.

Foodies will appreciate the excellent choice and quality of the cuisine here. Start your day with a wide variety of breakfast selections served in "Provence"; the hotel's French restaurant, or 'Flavours' and 'Ouzo' with their pretty beach views. And relax over dinner at the Asian inspired 'Anaya' or 'Fusco', for all things Italian.

The rooms are stylish, light, airy and comfortable, and although Ikos Olivia is a new resort, the service and quality of the place is excellent. For a stress free holiday in a stunning location, Halkidiki is the place to visit in 2016. ●
